

# BBQ-Bacon-Rolls

Ideal for  
Barbeque

Our little bacon snack was especially developed for barbecuing and can be served as crispy Tapas or on a shashlik skewer during a nice evening with friends. Pleasure guaranteed!

Our bacon rolls can also be the perfect combination to other BBQ dishes, such as salads, grilled vegetables or dips.

- thinly sliced raw pork belly
- different seasonings
- assortment carton possible
- already rolled up as a quick finger food for the BBQ for a guaranteed success
- practical packaging sizes, also for smaller households

## BBQ Bacon-Rolls

Salted raw pork belly in one piece, seasoned, dried and traditionally smoked over beech wood. Cut into slices and rolled by hand. Delicious bacon snack in 4 different seasoning varieties.
